---

### Objectives

- To create **environmental awareness** among students
- To promote **sustainable and eco-friendly practices**
- To encourage **nature conservation and biodiversity protection**
- To develop **environmental responsibility and citizenship**

## LANGUAGE CLUB

The **Language Club** is an academic and cultural body in educational institutions, established as per **UGC and NAAC guidelines** to **promote language skills, communication, and literary activities** among students.

### Objectives

- To improve **proficiency in English, regional, and foreign languages**
- To enhance **communication and soft skills**
- To encourage **literary creativity and cultural expression**
- To foster **reading habits and public speaking skills**

## CODING / TECHNOLOGY CLUB

The **Coding / Technology Club** is an institutional student body established as per **UGC and NAAC guidelines** to **promote technical skills, digital literacy, and innovative thinking** among students in the fields of coding, programming, and emerging technologies.

### Objectives

- To enhance **coding, programming, and problem-solving skills**
- To encourage **innovation, research, and technology development**
- To promote **teamwork, collaboration, and technical leadership**
- To prepare students for **industry requirements and digital challenges**

## FILM AND PHOTOGRAPHY CLUB

The **Film and Photography Club** is a student-centric institutional body established to **promote creativity, visual storytelling, and technical skills** in photography, filmmaking, and related media, in line with **UGC and NAAC guidelines**.

---

### Objectives

- To develop **photography and videography skills** among students
- To encourage **creative expression and visual storytelling**
- To promote **documenting institutional and cultural activities**
- To enhance **media literacy and technical expertise**

## ETHICS AND VALUE EDUCATION CLUB

The **Ethics and Value Education Club** is an institutional body established to **promote moral values, ethical behavior, and holistic development** among students, as per **UGC and NAAC guidelines**. It aims to instill **character building, social responsibility, and ethical awareness** in campus life.

---

### Objectives

- To promote **ethical awareness and moral values** among students
- To encourage **responsible citizenship and integrity**
- To develop **empathy, compassion, and social responsibility**
- To foster **holistic personality development**

## FINE ARTS CLUB

The **Fine Arts Club** is a student-centric institutional body established to **promote artistic talent, creativity, and cultural expression** among students, as per **UGC and NAAC guidelines**. It provides a platform for students to explore and showcase their **artistic abilities**.

### Objectives

- To nurture **artistic and creative skills** among students
- To promote **cultural awareness and aesthetic appreciation**
- To encourage **participation in intra- and inter-college art events**
- To support **holistic development through art and creativity**

## CULTURAL / ZUMBA / WELLNESS CLUB

The **Cultural/Zumba/Wellness Club** is an institutional body established to **promote physical fitness, mental well-being, and cultural engagement** among students, in accordance with **UGC and NAAC guidelines**. It encourages students to **maintain a healthy lifestyle while participating in cultural and recreational activities**.

### Objectives

- To promote **physical fitness, health, and wellness**
- To encourage **cultural participation and creative expression**
- To develop **teamwork, discipline, and social skills**
- To foster **holistic development and stress management**

## CODING / TECHNOLOGY CLUB

The **Coding / Technology Club** is an institutional body established in colleges and universities to **promote digital literacy, programming skills, and technological innovation** among students. It aligns with **UGC and NAAC guidelines** to foster **technical competency and industry readiness**.

### Objectives

- To enhance **coding and programming skills** among students
- To encourage **innovation, research, and project development**
- To promote **collaboration and teamwork** on technology-based initiatives

- To prepare students for **industry challenges and technological advancements**

## INNOVATION CLUB

The **Innovation Club** is an institutional body established to **foster creativity, research, and entrepreneurial thinking** among students. It aligns with **UGC, AICTE, and NAAC guidelines** to promote a culture of **innovation, problem-solving, and technology-driven solutions**.

### Objectives

- To encourage **creative thinking and problem-solving skills**
- To promote **research, innovation, and entrepreneurship**
- To provide a platform for **idea generation and project development**
- To enhance **student participation in national and international innovation initiatives**

## SPORTS CLUB

The **Sports Club** is an institutional body established to **promote physical fitness, sportsmanship, and overall health** among students, in accordance with **UGC and NAAC guidelines**. It encourages students to participate in **indoor and outdoor sports, games, and fitness activities** for holistic development.

### Objectives

- To develop **physical fitness, stamina, and agility**
- To promote **sportsmanship, teamwork, and discipline**
- To encourage participation in **intra- and inter-college sports events**
- To support **overall personality development and well-being**
